

PRESS RELEASE – SEPT 2005

Mechanalysis (India) Ltd represents Beran Instruments Ltd. of UK

Mechanalysis (India) Ltd (MIL) is delighted to announce that they have secured the exclusive representation of Beran Instruments Ltd of UK for their complete range of high speed machinery diagnostic products.

This strategic alliance will optimise the leverage from the respective products of both companies. MIL, as a 100% Indian condition management solution manufacturer, welcomes this development. As India's leading provider of both domestic and imported condition monitoring products, the Beran partnership will further provide Indian customers with an advanced machinery diagnostic capability.

ooOoo

About the Companies :

Beran Instruments Ltd is a leading UK and International supplier of advanced simultaneous rotating machinery diagnostic systems. Most UK power stations standardise on their products. Their high performance condition monitoring diagnostic systems will interface with most 3rd party on-line rotating machinery monitoring systems providing fault analysis for proactive maintenance decisions. Please visit www.beraninstruments.com
