

# PRESS RELEASE – JULY 2008

## Artesis LLP of UK Appoints Mechanalysis (India) Ltd

Artesis LLP has appointed Mechanalysis (India) Ltd (MIL) as their exclusive distributor for South Asia for their complete range of intelligent condition monitoring products including the Motor Condition Monitor (MCM), and Plant Condition Monitor (PCM) instruments. Andy Bates, Director Artesis, said they were delighted at the MIL Partnership who, as **The Vibration People** are well experienced and have all India distribution with comprehensive support services.

Artesis has been supplying its revolutionary predictive maintenance technology since 1999, and has helped many customers around the world increase productivity and reduce maintenance costs. The Artesis team combines extensive experience in advanced technology development with the successful application of such technology to the requirements of operations and maintenance professionals.
